

Conroe man dies in Walker County single-vehicle crash

A Conroe man died Monday in a single-vehicle accident in Walker County.

According to the Huntsville Item, Christopher Barrow died after being ejected from his Lexus sports utility vehicle on FM 1791 one mile east of FM 3179 around 7:30 a.m.

He was not wearing a seatbelt, the newspaper reported, when he left the roadway and overcorrected. He then rolled several times and hit a tree.

An unnamed passenger was taken to a Conroe hospital and then flown to a Houston hospital in critical condition.

Troopers with the Department of Public Safety weren't able to be reached by press time for further information.
