

FM 3090 takes second life in 2 weeks

Exactly 2 weeks after a Tomball woman was killed in a motorcycle accident on FM 3090, 33-year-old Robert Lynn Nienstedt of Burton succumbed to injuries sustained in a 1-car rollover off the same windy roadway on Sunday morning.

Department of Public Safety Trooper Ross Bates of Brenham reported that the driver, Karen Jeanice Crenshaw of Anderson, 32, was traveling northwest on FM 3090 when her 1998 Chevy SUV left the roadway, struck a tree and rolled.

Precinct 2 Justice of the Peace Joe Imhoff pronounced Nienstedt, a passenger, dead at the scene at 9:40 a.m. Nienstedt's body was transported to Nobles Funeral Home of Navasota.

Nienstedt was not wearing a seatbelt at the time of the incident, which occurred at 8:52 a.m., 9.1 miles north of Navasota.

Crenshaw, who was wearing a seatbelt at the time of the incident, was transported to College Station Medical Center in stable condition with head trauma.

Two weeks prior, on June 3, Stephanie Hunt Burton, 51, left the roadway on a Harley-Davidson and struck a fence on FM 3090, about a quarter of a mile west of FM 149 near Anderson.

Trooper Kenneth Balzekas of Anderson previously reported that Burton wore a helmet, but landed on her head after she was ejected from the bike.
